Commercial Lines Underwriting Non ECLIQ -Desirability Index

2012 - Agent Version

Desirability Index

The following indicators express **America First Insurance Desirability** for various classes of business. These indicators reflect more than just the inherent hazards involved in each class. They reflect our own company experience, the legal environment in our operating states, our ability to provide proper loss prevention service and our underwriting expertise in these classes. **The desirability indicators should not be equated with risk quality. They merely represent our general appetite for the class of business and all risks are subject to America First Underwriting guidelines.**

Symbol	Desirability	CLIQ Pre- Qualify Risk Tool
	Target market	MD
	Desirable	D
	Refer to company - in-depth underwriting required	LD
	Refer to company - very restrictive - best in class only	LD
	No - We do not normally provide a market for these risks due to severe hazards	ND

2012
FARM APPETITE GUIDE
as of 01/03/12

We prefer to write Farm Pac or FRO, Farm Auto and Farm Umbrella. We do offer mono-line Farm Liability, mono-line Farm Property and Farm Inland Marine. We offer 2 package policies depending on whether the insured is located in KS, MO, OK or TX. We do not offer Workers Compensation.

Farm Pac for KS, MO and OK

The Farm Pac is a customizable package policy that provides comprehensive coverage for home, buildings, equipment, stock, and liability for risk in KS, MO and OK.

Farm and Ranch Owners (FRO-B) for TX

The Farm and Ranch Owners (FRO-B) is a customizable package policy that provides comprehensive coverage for the dwelling, buildings, equipment, stock and liability for risk in Texas. To be eligible for the FRO policy the risk must:

- have a primary dwelling to insure and
- all exposures must be located outside the city or incorporated area's

Eligibility Guidelines:

- Small to medium sized farms and ranches located in rural areas listed in our appetite section
- Owned and/or operated by an experienced individual preferably with at least five years experience
- Farm may be owned by an individual, partnership, family farm corporation, LLC, or LP
- Financially sound insured(s)
- Prior loss experience for the past 3-5 years must be acceptable
- Dwelling limits from \$75,000 to \$500,000

Farm Liability Eligibility: The stand alone Farm Liability policy is for risks where minimal farming is being conducted by the insured themselves. Eligible risks would be:

- Lessor's risk-land leased to others for farming purposes
- Land enrolled in Conservation Resource Program (CRP)

Farm Inland Marine Eligibility: Designed for small schedules of farm machinery. This would include equipment that a homeowner would use to maintain the excess acreage around the home, such as a tractor or bushog.

Farm Umbrella Eligibility: It is preferred that we write the total account when offering this coverage e.g. the Farm Property, Farm Liability, and Farm Auto.

Farm Auto: We wish to write farm auto fleets used solely for farming operations. We do not write auto for truckers that haul for others.
